REMARKS

Entry of the present Amendment prior to the examination of the instant patent application is respectfully requested.

Status of Claims

Claims 1 – 25 are pending in the application. Claims 1 – 25 have been cancelled and new claims 26 - 45 have been added.

Amendments to the Specification

Most of the amendments are requested to correct the English. This includes corrections of grammatical and typographical errors and to maintain referential consistency within the text and with the drawings.

In addition, some terms have been corrected to the correct terminology, as follows:

In the paragraph on Page 3 that begins with the words “Splitterless ADSL...”, the term “Play and Plug” has been changed to –Plug and Play—;

In the paragraph which begins on Page 4 and continues to Page 5 and that begins with the words “Another problem ...”, the term “Telecommunications” has been changed to –Telecommunications companies—; and

In the paragraph on Page 5 which begins with the words “The present invention ...”, and in many other places in the specification, the term “subscriber premise” has been changed to –subscriber premises—.

The following corrections have been made to correct incorrect terms which are correct in other parts of the text:

FILED: June 22, 2000
Page 26

In the paragraph on Page 6, which begins with the words “The computerized devices ...”, the term “closeness with an electronic control module” has been changed to – door closures with an electronic control module--;

In the paragraph on Page 7 which begins with the words “In accordance with one embodiment ...”, the term “frequency-devising-multiplex” has been changed to – frequency-division-multiplex—and the term “ITU G.002.2” has been changed to –ITU G.992.2--;

In the paragraph on Page 12 which begins with the words “Reference is now made ...”, the term “ADSM modem 305” has been changed to –NDSL modem 305— and the term “an ADSL upstream receiver 407” has been changed to –an ADSL upstream transmitter 407—; and

In the paragraph on Page 16 which begins with the words “For data communication ...” and in other places, the term “DTM” has been changed to –DMT--.

No new matter has been added to the specification.

Amendments to the Drawings

Applicant respectfully requests entry of drawing amendments submitted herewith. The drawing amendments are requested solely to maintain conformity with the specification and to meet formal requirements. The drawing amendments include:

In Figs. 2, 3, 6, 8, 10 and 12, the term “SUBSCRIBER PREMISE” has been changed to –SUBSCRIBER PREMISES— as the latter is the correct terminology.

In Fig. 5, various spelling and grammatical errors have been fixed in items 509, 519, 533, 545 and 523.

No new matter has been added to the drawings.

Amendments to the Claims

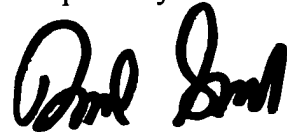

Pending claims 1 – 25 have been cancelled.

New claims 26 - 45 have been added in order to further define what Applicant considers to be the invention. Applicant respectfully asserts that no new matter has been added.

Favorable action on this request is courteously solicited.

The United States Patent and Trademark Office is hereby authorized to charge Deposit Account No. 501380 any fees under 37 C.F.R. §§ 1.16 and 1.17 that may be required for entry of this paper, and to credit any overpayment thereto.

Respectfully submitted,

Daniel J. Swirsky
Agent for Applicant
